*Sporty version of the KOGA F3 series thanks to its light weight, 30 gears and stylish 'understated' design.*

*Sporty super smooth-welded frame. The bike has a super clean look through the use of KOGA Crown Connect technology, in which the headlamp, mudguards, front fork and lighting cables are perfectly integrated. The cable for the rearlight is completely run internally through the front fork, the frame and the rear carrier.*

*KOGA lightweight aluminium fork.*

*Assembled with highly reliable Shimano Deore components.*
